

■ Accessory bar end (stainless steel) For Super Cub 110 (FI) (2012 Model~)

This accessory bar end has a high quality form and beautiful surface while having a stock weight effect. Unlike the stock one, it's not necessary to worry about the rust or the paint deterioration.

※This product is for 110 Super Cub FI(JA10) of the release after March, 2012.
It cannot be installed with Super Cub 110FI(JA07) that had released before 2012.
