

■ Super oil pump

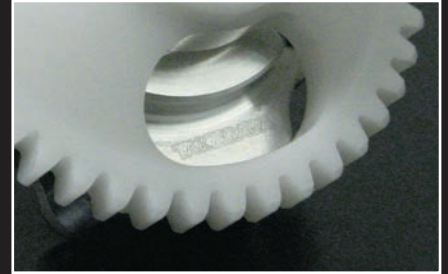

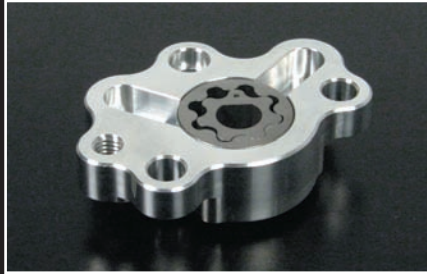

For KSR110 / KLX110 / KLX110L / KSR110(Thailand model)

It is a large-capacity oil pump for KSR110/KLX110

For the engine with much calorific value, circulate a large amount of oil and cool the engine further more.

Compared to standard pump, the capacity is about 1.4 times.

※It is necessary to purchase the crankcase cover gasket and O-ring (genuine parts) separately.
