

■ 2 pieces accessory bar end For the stock handle pipe of the GROM / MSX125.

Billet aluminum handle bar end.

By using a two-piece structure consisting of a bar end cover and bar end, we are highlighting a three-dimensional impression. There are 4 colors for your choice. Silver, black, red, gold.

The blind cap for fixing bolts is attached.

Only for stock handle pipe. Can not be installed with our steering handle pipe.
