

■ 2 pieces accessory bar end

For our steering pipe for CROSS CUB/universal handle pipe (inner diameter $\phi 18$)

Billet aluminum handle bar end.

By using a two-piece structure consisting of a bar end cover and bar end, we are highlighting a three-dimensional impression. There are 4 colors for your choice. Silver, black, red, gold.

The blind cap for fixing bolts is attached.

※can be used in our steering handle pipe(06-01-2009)for CROSS CUB & universal handle pipe (inner diameter $\phi 18$)

※Can not be installed in the stock handle of CROSS CUB.
