

■Helmet holder(exclusive key and spare key included)

CBR125R

It is a helmet holder that can be opened and closed with one-touch operation.
You can still use the pillion step.

2 colors for your choice : silver & black

※Only for the CBR125R sold after 2013. (Japanese domestic model)

※Because the shape is different, it is not compatible with the CBR125R,parallel imported model before 2013.

※CBR150R・Thailand model have not been confirmed.
