

■ Half cover set / Under frame set

For CROSS CUB

Half cover set

Made of ABS

Color: Black

※If you installed a half cover set, it is necessary to install our under frame set separately.

※It is necessary to modify the front cover for mounting. ※Cannot be attached the stock luggage hook.

Under frame set

Newly released a chrome plated model!!

Under frame set protects the crankcase and reinforce the frame, also emphasizes trekking style by adding a removable under plate. Colors : Pearl corn yellow, Fighting red and Chrome Plated Under plate : aluminum (Silver alumite)

■ Stock exhaust system can be installed.

※If you install with under frame set, our half cover set (09-11-0077) will be necessary. Cannot be attached to stock leg shield.

※When you install it, processing to the front cover will be needed.

※At the oil change, under plate should be detached.
