

## ■ Special Set B (half cover and under frame)

For **CROSS CUB**

Newly released a chrome plated model!!!

Change the stock Super Cub style to the half cover.

By mounting the under frame, your bike will be redesigned to trekking style.

### ■ Half cover set

Color: Black

※It needs to modify the front cover.

※When mounting the half cover, it is necessary to install our frame set simultaneously.

※Cannot be attached the stock luggage hook.

### ■ Under frame set

Under frame set protects the crankcase and reinforce the frame, also emphasizes trekking style by adding a removable under plate. It is possible to mount the stock exhaust pipe.

※When mounting the under-frame set, it is necessary to install our half cover set simultaneously.

※It is not correspondent to the genuine leg shield.

※Need to modify the front cover. ※At the oil change, under plate should be detached.

Installation image
