© If the description, such as photos or Illustration different with this part.

## ~ Kit Contents ~

☆ Please read carefully before use ☆

- © This product is designed for exclusive use on the closed course.
- © We do not take any responsibility for any accident or damage whatsoever arising from the use of the products not in conformity with the instructions in the manual.
- © Due to valve and piston clearance, do NOT use 25/30D and higher profile camshaft for 88cc engine.
- © This kit is designed for exclusive use in the above-mentioned applicable models and frame numbers only. Please take note that this kit cannot be mounted on other models of motorcycles.
- © Please be informed that, mainly because of improvement in performance, design changes, and cost increase, the product specifications and prices are subject to change without prior notice.
