 - This is a kit for 138cc Bore and Stroke Up (57 x 54) with DOHC 4V + D, for the Monkey and Gorilla.
- Before installing the kit, please be sure to check the kit contents. Should you have any questions about the kit, please contact your local motorcycle dealer.

Please note that, in some cases, the illustrations and photos may vary from the actual hardware.

~ Kit Contents ~

Read all instructions first before starting the installation

This kit is designed for exclusive use for the closed racing. So never use this kit for running on a public road.

We do not take any responsibility for any accident or damage whatsoever arising from the use of the kit not in conformity with the instructions in the manual.

Please note that this kit is designed for exclusive use in the above-mentioned compatible models and frame numbers only and that it cannot be mounted on other models.

Please be informed that, mainly because of improvement in performance, design changes, and cost increase, the product specifications and prices are subject to change without prior notice.
